**Newport Beach, CA** – Lucky7, the newest fundraising guild for the Assessment and Treatment Services Center, will host its fall membership mixer on October 13, 2004 at Blue Water Grill in Newport Beach.

The event aims to educate young professional about ATSC and encourage membership in Lucky7.

Guild President Carter Ellingson hopes the event will raise funds for ATSC while helping increase membership. “The event is open to local young professionals who are looking to make a difference in our community. I hope the event will attract many people looking to fill an area in their life by helping others. Once my peers hear what valuable services ATSC provides the community, I’m assured they will want to help support the organization through membership in Lucky7,” Ellingson said.
